The 2010 Annual Town Report Board of Selectmen

Ashley O'Neill, Chairman
Elizabeth Coughlin, Vice Chairman
Richard Reault, Clerk

Richard Lemoine, Member
Robert Jackson, Member

Greetings, fellow residents:

At the annual election in May, Richard Reault was elected to a 3-year term. Karyn Puleo did not run for re-election, and we thank her for years of service. At the re-organization meeting after the election, Ashley O'Neill was appointed Chairman, Elizabeth Coughlin was appointed Vice Chairman, and Richard Reault was appointed Clerk.

Activities. Activities occupying much of the Selectmen's attention during the year included:

Budget. In May, the annual budget was approved at the Annual Town Meeting. The Town continues to do its best to provide a high quality of services with the funds approved by the Town Meeting. The uncertainties of the economy are expected to affect next year's budget, including the financial aid received from the State.

Tax Rate. The Selectmen approved keeping the property tax rate the same for businesses and residential properties. This helps to attract and maintain businesses thereby providing tax revenues and jobs and lessening the burden on residential taxpayers. The tax rate is \$13.95.

Strategic Financial Planning Committee. A Strategic Financial Planning Committee has completed their five year financial plan, forwarded it to the Finance Committee and has disbanded.

Capital Plan. The Town has a long-term capital plan that is updated each year. The Capital Asset Management Committee provides recommendations to the Selectmen and Finance Committee.

Schools. The Selectmen continue to communicate with the Tyngsborough Public Schools and Greater Lowell Technical High School, the Academy of Notre Dame, and the Innovative Academy Charter School about budgets and other issues. Monthly meetings are being held with the Chairman of the Board of Selectmen, Chairman of the Tyngsborough School Committee, School Superintendent, and Town Administrator to foster open communications.

Green Community Initiative. The Town has been designated a Green Community and the process of receiving grants is underway.

State Construction Projects. The Massachusetts DOT is overseeing the design and construction of the Tyngsborough Bridge. The State will pay for this renovation. The bid was awarded to S&R of Lowell and the construction has begun and is slated to be completed in the fall of 2012. Mass DOT advertised for bids and a contract for the realignment of the Pawtucket Blvd.

Economic Development. The Town has an Economic Development Committee that is working very hard to implement the Town's Economic Development Plan. The committee hopes to attract and keep businesses, increase commercial tax revenues, and increase jobs.

Town Center. The Town Center Master Plan has been developed and the Town's market analysis of the Town Center is completed and are available in the Selectmen's office.

Frost Road Recreation Area. In prior years, the Town purchased approximately 8 acres along the Merrimack River off Frost Road. The goal is to develop a park at this site. The park is substantially completed and includes picnic tables and other playground equipment installation should be completed by summer. Community Preservation funds have been used for this project.

The 2010 Annual Town Report

Recreational Fields at Elementary School. The Field Use Committee has been working with a consultant on developing recreational areas at the Elementary School. With this proposal, the following will be created: 3 multi-purpose fields for soccer, football, lacrosse, and field hockey; 1 softball field; 5 tennis courts; 1 basketball court; 1 baseball field; and walking areas. The Town's Recreation Director continues to oversee the scheduling of the new fields, and will work with the various sports groups in Town.

These groups will help pay for the ongoing maintenance of the fields. It is anticipated that citizens of all ages will use these facilities, including the tennis courts, basketball court, and walking areas.

Senior Citizen Property Tax Work-Off Abatement Program. During the year, the Town implemented this program that provides a maximum tax abatement of \$750 for 94 hours worked by 5 senior citizens. The senior citizens must be at least 60 years old and have owned and resided in a home in Tyngsborough for at least the previous year. This program helps keep our senior citizens living in the Town.

Personnel and Volunteers.

The Selectmen thank our employees for their fine work during the year. Also, we appreciate the many hours performed by our volunteers on behalf of the Town and its citizens. Our Town would not be the first-rate community that it is without the efforts of our employees and volunteers.

Respectfully submitted,

Ashley O'Neill, Chairman
Board of Selectmen

**The 2010 Annual Town Report
Board of Assessors**

Board members:

Phil O'Brien, Chairman
Ann Marie Conant
Marc Welch

Chief Assessor: Joseph A. Gibbons, M.A.A.
Assessor's Assistant: Jennifer Wilson

Phone: 978-649-2300 Ext.121
Fax: 978-649-2327

The Board of Assessors is made up of three elected members who meet regularly on the first Tuesday of every month. 2010 was a successful and fruitful year, in which the Assessors were able to help the Town bring in over \$360,000 in new growth and almost \$90,000 in supplemental assessments.

In the fall, the Town completed the Fiscal Year 2011 interim adjustment program with the help of our vendor, Patriot Properties. This allowed the Assessors to set the Fiscal Year 2011 tax rate at \$14.17 and allow the Collector mail the FY 2011 property tax bills in a timely fashion.

The Assessors would like to thank Assessor Elizabeth Vallerand, who had to step-down due to her move out-of-town. Her commitment to the Town will be missed. Marc Welch joined the Board in May as her successor. The Board would also like to thank Assessor's Assistant Jennifer Wilson for her professionalism and hard work.

The major duty and responsibility of the Board of Assessors is to discover, list, and value all classes of real and personal property. In 2009, property values continued to decline due to a decrease in sale prices brought on by tighter lending restrictions and the overall weak national economy. Per state law and DOR regulations, 2009 market data was used in assessing the current Fiscal Year 2011 property valuations. The total valuation of the town dropped by almost eight million dollars, which was a net drop of 1/2 of one percent, including the new growth valuations. We are required to assess property at full and fair cash market value. In order to achieve this, various statistical analyses are done. One of the things we look at first is the assessments/sales ratios and then we break them down by size, location, neighborhood, age et cetera. Values are reviewed annually to ensure that they reflect the market value. Revaluations are conducted triennially and a full measure and list of all real property is required every nine years.

Taxpayers are encouraged to view property assessment data for accuracy as incorrect data may generate an incorrect value. Assessments may be viewed at the Assessors' Office where there is a counter terminal available for public use; or on the Town's website www.tyngsboroughma.gov.

The 2010 Annual Town Report Board of Health

Board of Health Members

Fred Wendt, Chairman

Sheila Perrault, Vice Chairman
Christopher Mellen

Bernadette Harper
Patricia Quinn

To Citizens of Tyngsborough:

The mission of the Board of Health is to promote and protect public health in Tyngsborough. Our main focus is through prevention by routine inspections, investigating complaints, plan reviews, wellness program and education.

The Board of Health consisted of an elected five member committee with a part time health agent and a part time assistant health administrator. A Board of Health meeting is held once a month on the second Monday of the Month.

The Board of Health oversees food and retail establishments, tobacco establishments, public and semi-public swimming pools and spa, tanning salons, public beach, campground, recreational camp, septic systems, drinking water wells, flu and rabies clinics, trash and recycling program, housing, nuisance and complaints. Land-Tech Consultants is our contracted engineering services that reviews plans and inspects septic systems to meet compliance with Title V. All other duties are done by the health agent and assistant health administrator.

The Town of Tyngsborough is on a one totter trash system and unlimited recycling every other week. Allied Waste is the Town's trash hauler and can be reached at 978-649-7564. Extra trash bags and bulky items can be disposed of with a purchase of stickers from the Board of Health. The hours for the purchase of the stickers are Monday and Wednesday, from 8:30 AM to 12:30 PM. Composters and extra recycling containers can be also be purchase at the Board of Health. "Recycling" Stickers for barrels are available free of charge. Residents can dispose of Appliances, CRTs, and Tires for a fee by calling Appliances Recyclers at 1-877-228-2898. Needles and syringes in puncture proof containers (such as detergent container) and printer cartridges can be dropped off at the Board of Health office. All other hazardous materials such as fluorescent light bulbs, motor waste, chemicals, etc. can be dropped off on Hazardous Waste Day, held once a year, in the month of May.

The Board would like to recognize the Trash and Recycling Subcommittee for their time and services for the Tyngsborough community. They continue to provide education and beautify the parks and community through their services and annual town clean up day.

Tyngsborough Board of Health is part of the Upper Merrimack Valley Health Coalition. The Coalition consisted of 7 communities: Tyngsborough, Westford, Dracut, Lowell, Chelmsford, Billerica, and Tewksbury. The coalition is formed through the grant from CDC and Massachusetts Department of Public Health. The Health Coalition's role is to be prepared to set up an Emergency Dispensing Site (EDS) in the event of an emergency, whether man-made or natural. The Town also belongs to the Upper Merrimack Valley Medical Reserve Corps which is comprised of volunteers from the communities and volunteers may be called upon to help in an emergency situation.

Respectfully submitted,
Kerri C. Oun
Health Agent

The 2010 Annual Town Report Tyngsborough Finance Committee

John Griffin, Chair
Robert Mullin
Sean Martin

Ken Times III
Linda Geyer

To the Citizens of Tyngsborough:

In Massachusetts, towns with a property valuation of over a million dollars are required to create a Finance Committee. Under Massachusetts General law, a Finance Committee "shall consider any or all municipal questions for the purpose of making reports or recommendations to the town and shall submit a budget at the annual town meeting. (Massachusetts General Law, Chapter 30, Section 16)

The Tyngsborough By-Laws state there shall be a Finance Committee consisting of five elected members. The By-Laws also outline further duties of the Finance Committee including the consideration of all matters that impact the town monetarily when placed on a warrant article.

The Finance Committee meets during the year as needed and posts its meetings as required by law. The Finance Committee has members who serve on the Community Preservation Committee, the Capital Asset Management Committee, the Strategic Financial Planning Committee and attend other meetings as necessary.

We continue to review the status of the current fiscal year budget and are working with town boards, committees and departments to provide a fair and equitable fiscal year 2012 budget for the residents of the Town of Tyngsborough.

The Finance Committee is committed to keeping the public informed and providing recommendations that are in the best long-term interest of our community.

Respectfully submitted,

John L. Griffin, Chair
Tyngsborough Finance Committee

The 2010 Annual Town Report Tyngsborough Public Library

Board of Library Trustees
William E. Lekas, Chairman
Ann Conant, Vice Chairman
Lisa Camacho, Secretary

Paula Flaherty, Library Trustee
Errin Howe, Library Trustee
Lynne Lown, Library Trustee

Greetings, fellow residents:

Public service has been the mission of the Tyngsborough Public Library throughout its history. The Board of Library Trustees, the library's director, and the staff strive to meet the needs of Tyngsborough's residents throughout the year whether the library building itself is open or through electronic access when the library is closed as the library website provides a portal to multiple databases and live research support. As documented in past reports, these library services, collections, and on-going activities continue to be available to us as Tyngsborough residents. However, documented as well is the ongoing perilous economic environment. As of this writing, the library has been informed that its most recent waiver application seeking to remain certified has been approved with reservations by our state's Board of Library Commissioners. The challenge for the Tyngsborough Board of Library Trustees is to advocate for consistent and appropriate municipal funding.

We wish to recognize those who continue to provide the high level of service town residents have come to expect; expectations that were provided for by our past library director, Randy Robertshaw. With Randy's departure, the trustees with members of the library community, Carol Sides, Gloria Delli Colli, Lucy Hamnett, Michelle Court, and Jeanne Dery, conducted an intense process of searching for a director who could step in and establish a relationship with the community, staff, other town departments, and town leaders. The committee's search found Susanna Arthur, our new library director. Sue has begun her work in a time when the critical and valuable services libraries provide have received nationwide attention and are in juxtaposition with funding mechanisms that have not been able to keep pace with the public's need.

With the same esteem the trustees hold for those who searched for the director, and our new director, we also wish to recognize the library's hard-working staff. The staff, consisting of town residents and close neighbors, provides multiple services each day in the library and are no less affected by the reality of the economic times than those they serve. We wish to note their daily, continued professionalism, which serves to underscore our belief that public service is vital.

Furthermore, the Friends of the Library have been stalwart in their support and deserve our gratitude. They serve to remind us all there are numerous ways that individuals working together can enhance public services, in this case, library services. Indeed, we wish to thank all of you for your supportive letters, your volunteer hours and your generous donations to the library. It is our hope your support will continue as we all endeavor to sustain our library services for our town.

The 2010 Annual Town Report Sewer Commission

Commissioners

Gerry Foley, Chairman
Jeff Hannaford
Rick Reault

Employees

Allen Curseaden, Superintendent
Paul Provencher, Asst. Superintendent
Christine Miceli, Administrator

The Tyngsborough Sewer Commission is pleased to report that the municipal sewer system is in excellent operating condition. Scheduled maintenance of the town-owned pump stations is ongoing and other major capital improvements have been recently completed or planned. The Willowdale Pump Station has been completely redesigned and reconstructed. Electrical upgrades and the installation of web-based monitoring systems is providing real-time data resulting in early detection of potential problems and a more efficient use of the resources.

The Sewer Department field operations have been moved to 5 Middlesex Road. The new location is more central to the operations and doubles the space for the storage of vehicles and maintenance of equipment.

The Commission is pleased to announce that the Sewer Department Administrator position has been filled by Christine Miceli. Christine will be responsible for all administrative tasks associated with running the department and providing support to the Commission and Sewer Superintendent.

The Sewer Enterprise Fund is in sound financial condition. Although the economic climate has slowed new construction, the fund has realized moderate growth from new connections. An increase in revenues is anticipated for FY 2012.

The Sewer Commission is currently focused on the implementation of the town's approved Comprehensive Wastewater Management Plan. To that end, the Board of Selectmen has directed the Sewer Commission to facilitate the formation of a Sewer Design and Construction Committee (SDCC). The Committee will be made up of citizens-at-large, business owners and other stakeholders in the community. The goal of the SDCC will be to identify costs, set priorities and determine the best method of financing the design and construction of new sewer infrastructure. The Sewer Commission is also working closely with their consultants, Woodard & Curran, to continue the annual effort of seeking low interest loans from the State's Revolving Loan fund (SRF). The Town is well positioned for the next round of funding if the legislation is passed at the state and federal levels.

All data collection indicates that inflow and infiltration (I/I) continues to be the most costly problem with the system. Infiltration is caused by leaks in the system allowing groundwater or surface runoff to enter the system. This represents approximately 32% of the I/I problem and the Sewer Department has identified those areas and is proactively repairing the system. Inflow is the deliberate dumping of water into the sewer system from basement sump pumps and other similar sources. This volume of clean water is metered at the town lines and the town is invoiced for every gallon. Discharging clean water into the sewer system is a fineable offense, but difficult to enforce. It continues to be the number one reason for rate hikes because the cost of treatment at the Lowell Regional Treatment Facility is passed down to the users. We request that all users seek alternative means for discharging sump pumps.

The Sewer Commission meets the second and fourth Thursday of every month. Deviations from that schedule are posted in advance. The first item on every agenda is Citizens Time.

The 2010 Annual Town Report Town Collector's Office

Collector: Gene Spickler, CMMC / Asst. Collector: Nancy Dutton / P-T Clerk: Sharon Tetreault

The Collector is a salaried official elected to a 3 year term and is responsible to collect the taxes committed by warrants and tax lists for real estate, community preservation, personal property, motor vehicle excise, PILOT-(Payment in Lieu of Taxes), sewer usage, covenants and liens. We also collect parking tickets and voluntary contributions to the Elderly/Disabled or Education Funds, as well as departmental fees for inspections, connections, permits, licenses, hearings, and other services as indicated on the next page under UNCOMMITTED DEPARTMENTAL RECEIPTS. Tax receipts, including interest & fees are recorded to the tax lists daily. Funds are turned over to the Treasurer weekly, with a list indicating accounts credited.

The 2010 Annual Town Report Office of the Town Treasurer

To the Honorable Board of Selectmen and the Citizens of Tyngsborough,

The Treasurer's office performs various functions and provides services as follows:

Cash Management

Cash Management involves cash flow forecasting, investing, and borrowing. It is the responsibility of this office to ensure that Town government, with the proper management of its cash, can function in a smooth and orderly fashion. The goal is to optimize the investment of funds and borrow in a prudent and fiscally responsible manner, always with safety and liquidity of primary importance. During the fiscal year ended June 2010, the focus continued to be on protection of the Town's funds via collateralization.

A short-term note was issued during the year in the amount of \$1,218,000 for the recreational facilities located adjacent to the Tyngsborough Elementary School, the Highway Garage Remodeling Project, new school boilers and a new fire truck. This note was issued with an interest rate of 1.5% and will come due in August 2011. The Town's current general bond rating, as issued by Moody's is AA3.

Payroll & Personnel

The Town purchases health insurance together with a group of municipalities known as the Minuteman Nashoba Health Group. Our self insured health plans include Tufts, Harvard Pilgrim and Fallon. There were 261 Town employees with health insurance coverage, with the Town contributing 70% to 75% toward the cost of health insurance for these employees. The Town also contributes 50% toward the cost of health and life insurance for 93 of the Town retirees.

The payroll is prepared in-house with an integrated accounting system. In addition, this department administers various benefit programs, payroll deductions, and payroll withholding taxes. During calendar year 2010, 604 individuals were on the Town's payroll roster.

Trust Funds

The Treasurer is the custodian of all Town Trust Funds. These funds cover Library, Scholarship, Cemetery, Conservation, Charity, and miscellaneous other funds. As of June 30, 2010 there was a total \$671,344.00 distributed among 30 individual funds in cash and equivalents in these Trust Fund accounts. The Town engages the services of a local investment company, which specializes in the municipal market, to manage the Town Trust Fund portfolio with ladder investments in US Government and Agency securities.

Tax Title & Deferred Accounts

When taxes become seriously delinquent, the Tax Collector places a lien on the property, and the unpaid bill, known as a Tax Title account, becomes the responsibility of the Treasurer for control and collection. This office also monitors and collects elderly deferred accounts. As of June 30, 2010, \$641,476 was the principal amount due (excluding interest) in Tax Title and elderly deferred accounts. Many of the properties are commercial/industrial and vacant land.

Respectfully submitted,

Kerry Colburn-Dion, Treasurer
Gloria Clancy, Assistant Treasurer
Kathleen Cayer, Payroll Administrator

The 2010 Annual Town Report
Office of the Town Clerk

Joanne Shifres, Town Clerk
Nancy Johnson, Assistant Town Clerk

njohnson@tyngsboroughma.gov

To the Citizens of Tyngsborough:

Often considered the gateway to local government and the community, the Office of the Town Clerk serves as the central information point for residents and visitors alike. The Town Clerk is the chief election official, recording official and registrar of vital records, public records official and licensing officer. The Town Clerk is responsible for ensuring the integrity of all elections and election-related activities. We are responsible for the polling places and providing safe and accessible locations for all registered voters. The Town Clerk records all actions of Town Meeting and updates the permanent record book for the Town. The annual town census is conducted through the Town Clerk's office from which the annual street list is compiled. After the release of Federal census data, the Town Clerk works closely with the with the Secretary of the Commonwealth's office to re-draw precinct lines.

The Clerk's office maintains the Town By-Laws, the official Town bulletin board, oaths of office, appointments and resignations of all Town officials. The Clerk's Office issues state licenses and permits, including marriage licenses, business certificates, dog licenses, hunting and fishing licenses, fuel storage licenses, raffle/bazaar permits and certified requests for public documents.

The following table summarizes the 2010 fees collected:

Article 8. To see if the Town will vote to amend the Town of Tyngsborough Zoning Bylaws (including the Table of Permitted Uses) to insert a new Section 2.16.00, to establish a mixed-use overlay district, to read as follows:

2.16.00 Mixed-Use Village Overlay District

2.16.10 Purpose: The purposes of this Mixed-Use Village Overlay District (MUVOD) are to encourage a mix of business, commercial, professional, residential and recreational uses and to promote compact, village-style development that is pedestrian-oriented and incorporates traditional architectural features compatible with the Town character. A vibrant mixed-use village will minimize impacts on public services; maximize efficient use of public infrastructure; increase and diversify the Town's tax base; create a thriving small business environment; provide diverse housing opportunities; encourage the reuse of existing underutilized or vacant properties; attract new investment and promote economic development within the Town. The following Section is intended to further the general goals, objectives and recommendations outlined in the Town of Tyngsborough Master Plan and Tyngsborough Economic Development Plan.

2.16.20 Boundaries: The boundaries of the MUVOD shall be as shown on the plan of land for Tyngsborough Commons, and shall encompass an area consisting of approximately 30 acres with frontage on Westford Road and bounded as follows [Boundary description is forthcoming.]

2.16.30 Relationship to Existing Zoning: The underlying zoning shall remain an integral part of the Town of Tyngsborough Zoning Bylaw and shall be neither modified, repealed nor amended, except as otherwise provided in this Section. The property owners in the MUVOD shall possess all current zoning rights and be subject to the requirements applicable in the underlying zones. In the event that an owner desires to use the owner's property for Mixed-Use Development as defined in this Section, the rules and regulations of the MUVOD shall apply and by filing an application for development subject to the rules and regulations of this Section, the owner shall be deemed to accept and agree to them. Where the MUVOD provisions are silent on a zoning rule or regulation, the requirements of the underlying zoning shall apply.

2.16.40 Definitions:

"Mixed-Use Development": A combination of residential and non-residential uses, as permitted within the MUVOD, arranged vertically (in multiple stories of one or more buildings) or horizontally (adjacent to one another in one or more buildings) within a lot.

2.16.50 Permitted Uses:

The following uses are allowed, in the MUVOD, subject to the requirements set forth in this Section:

2.16.51 Permitted General Uses:

- (a) Conservation; and
- (b) Recreation

2.16.52 Permitted Residential Uses:

- (a) Multi-Family Dwelling.

2.16.53 Permitted Government, Institutional and Public Service Uses:

- (b) Public or Private Utility Facilities; and
- (c) Post Office.

2.16.54 Permitted Business and Industrial Uses:

- (a) Retail Store; provided however, no single Retail Store use shall occupy an area exceeding 10,000 square feet;
- (b) Business or Professional Office;
- (c) Financial;
- (d) Restaurant;
- (e) Restaurant-Fast Food; provided, however, no such Restaurant-Fast Food use shall incorporate a drive-through service;
- (f) Lodge or Club;
- (g) Veterinary Care;
- (h) Personal Service Facility;
- (i) General Services;
- (j) Studio;
- (k) Commercial Recreation - Indoor or outdoor facilities, operated as a business and open to the public for a fee;
- (l) Lounge or Pub;
- (m) Amusement Facility Indoor; provided, however, no such Amusement Facility Indoor shall incorporate a cinema;
- (n) Commercial Broadcast Facility;
- (o) Day Care Facility;
- (p) Light Manufacturing; provided, however, no single Light Manufacturing use shall occupy an area exceeding 10,000 square feet; and
- (q) Industrial Office/R&D; provided, however, no single Industrial Office/R&D use shall occupy an area exceeding 10,000 square feet.

2.16.55 Other Permitted Uses.

- (a) Farmer's Markets, Farm Stands, and Similar Facilities; and
- (b) Outdoor Sales of Holiday Trees, Wreaths or Similar Products.

2.16.60

Site Plan Special Permit: All uses and structures in the MUVOD are subject to a Special Permit and Site Plan Special Permit from the Town of Tyngsborough Planning Board in accordance with Sections 1.16.00 through 1.16.23 of this Bylaw. In addition to the requirements of Sections 1.16.00 through 1.16.23, all design criteria set forth in this Section shall apply. The Planning Board shall be the Special Permit Granting Authority for any Special Permits under this Section.

2.16.70

Dimensional Requirements:

2.16.71 General Dimensional Requirements in the MUVOD:

Uses and structures within the MUVOD shall conform to the following requirements unless said requirements are otherwise waived by the Planning Board as provided herein:

Residential/Business/Industrial

Minimum Lot Area:

2 acres

| | |
|---------------------------------------------------------|-----------------------------------------------------------|
| Minimum Frontage: | 200 feet |
| Minimum Front Yard Setback: | 30 feet |
| Minimum Side Yard Setback: | 20 feet |
| Minimum Rear Setback: | 20 feet |
| Maximum Building Height: | 3 and 1/2 stories or 45 feet |
| Minimum Land Area Per of total Lot/Dwelling Unit: | Building footprint coverage not to exceed 25% lot area |

2.16.72 Special Provisions:

- (a) The minimum separation between two or more buildings on the same lot shall be at least 20 feet.
- (b) The Planning Board may waive or modify any dimensional requirements set forth in this Section if, in its opinion, such modifications will result in an improved design in light of the stated purposes of this Section.
- (c) The building footprint of any single building located within the MUVOD shall not exceed 40,000 square feet.
- (d) Public restrooms shall be made available in accordance with the design guidelines for the MUVOD.

2.16.73 Parking/Bicycling Requirements:

- (a) The parking requirements for any use in the MUVOD shall be as set forth under Section 3.10.00 of the Bylaw, except as otherwise provided below:
 - i. At least 1.5 parking space(s) shall be provided for each dwelling unit, business, office or industrial use and at least 1 parking space shall be provided for each 200 square feet of business or office use. The Planning Board may reduce the required number of parking spaces set forth in this Section if, in its opinion, such reduction will result in an improved design in light of the stated purposes of this Section.
 - ii. The minimum width of all parking spaces in the development shall be 9 feet and the minimum depth of all parking spaces within the development shall be 18 feet. The width of all maneuvering aisles shall be 24 feet or greater.
 - iii. Parking lots shall contain or be bordered within five feet by at least one tree per 8 parking spaces, trees to be of two inch caliper or larger. Trees and soil plots shall be located so as to assure safe internal circulation and to provide visual screening from streets and residential areas.
 - iv. On at least three sides of the perimeter of an outdoor parking lot containing 20 or more parking spaces, there shall be planted at least one tree for every 8 parking spaces abutting the perimeter.
 - v. In the interior part of an outdoor parking lot where two rows of parking spaces containing a total of ten or more parking spaces face each other, a landscaped open space not less than 4 feet in width shall be provided. The landscaped strip may be provided either: 1) between the rows of parking spaces parallel to the aisle or, 2) in two or more strips parallel to the spaces and extending from the aisle serving one row of spaces to the aisle

serving the other row of spaces. There shall be planted in each such strip at least 3 trees and in all such strips not less than one tree for every 8 parking spaces in the interior part of the parking lot.

vi. Structured parking facilities (including underground parking and parking garages) shall be permissible within the MUVOD.

vii. In order to maintain the aesthetic aims of this Section, loading bays or loading areas shall not be required within the MUVOD.

(b) The required number of parking spaces may be reduced by the Planning Board where the applicant demonstrates that such parking spaces will not be needed for the proposed use, subject to the condition that the area necessary for those spaces is available on the lot and is designated on the approved plan of record. If anytime after the special permit for the MUVOD is granted, the Building Commissioner determines that a need exists for the additional spaces, the Building Commissioner may require the spaces be added.

(c) Bicycle racks should be permanently mounted and placed in convenient locations throughout public spaces to encourage bicycle use. The selected design should be simple and easy, allowing for convenient and safe use by the public. Bicycle racks should be placed so as not to obstruct views or cause hazards to pedestrians or motorists.

2.16.80 Applicant Procedures:

Projects submitted for Special Permit consideration under this Section shall follow the application and approval process outlined below:

2.16.81 Submittals Generally:

The applicant for a Special Permit under this Section shall submit appropriate application materials in accordance with the regulations adopted pursuant to Section 1.16.00 of this Bylaw.

2.16.82 Specific requirements

Any application for a special permit under this section shall provide to the Planning Board:

- (a) A site plan in accordance with section 1.16.20.
- (b) Analysis of the consequences of the proposed development, evaluation of the following impacts at a level of detail appropriate to the scale of development proposed.
 - i. Natural environment: groundwater and surface water quality, groundwater level, stream flows, erosion and siltation, vegetation removal (especially unusual species and mature trees), and wildlife habitats.
 - ii. Public services: traffic safety and congestion, need for water system improvements, need for public sewage
 - iii. Economics: amount and types of employment, labor force area.
 - iv. Visual environment: visibility of buildings and parking, visual consistency with existing development in the area.

2.16.83 Decision Criteria:

A Special Permit under this Section shall be approved upon determination by the Planning Board that the requirements of Section 1.16.00, including section 1.16.14, have been met and that the proposed plan is consistent with the stated purposes and guidelines set forth in this Section.

2.16.90 **Waiver:** The Planning Board under its special permit authority may waive one or more requirements of this Section 2.16.00 and its subsections where the waiver is not inconsistent with public health and safety, where such waiver is in the public interest, and where such waiver does not undermine the purposes of this section.

2.16.100 **Other:** A development pursuant to a Special Permit approved by the Planning Board under this Section shall not be subject to the growth rate regulations under Section 1.19.00 of the Bylaws,

or take any other action relative thereto.

Motion: That the Town vote to accept as printed with the following amendment:

2.16.20 **Boundaries:** The boundaries of the MUVOD shall include the areas as shown on the Town of Tyngsborough Assessors' Map Sheet 21, Block 23-1, Lots 6, 13, 14, 15, 16 and 17, encompassing an area consisting of approximately 43 acres with frontage on Westford Road.

Article 20. To see if the Town will vote to amend the Zoning By-Laws Section 2.13.00 and 2.14.00 as follows:

1. In Section 2.13.00, delete the language and substitute the following:

Section 2.13.00 Flood Plain and Floodway Districts.

The Floodplain District is herein established as an overlay district. The District includes all special flood hazard areas within the Town of Tyngsborough designated as Zone A and AE, on the Middlesex County Flood Insurance Rate Map (FIRM) issued by the Federal Emergency Management Agency (FEMA) for the administration of the National Flood Insurance Program. The map panels of the Middlesex County FIRM that are wholly or partially within the Town of Tyngsborough are panel numbers 25017C0104E, 25017C0108E, 25017C0109E, 25017C0111E, 25017C0112E, 25017C0113E, 25017C0114E, 25017C0116E, 25017C0117E, 25017C0118E, 25017C0119E, 25017C0128E, 25017C0136E, and 25017C0226E, dated 4, 2020. The exact boundaries of the District may be defined by the 100-year base flood elevations shown on the Middlesex County FIRM and FIS are incorporated herein by reference and are on file with the Town Clerk, Planning Board, Building Commissioner, Town Engineer, and the Conservation Commission Director.

2. Amend Section 2.13.20, by adding the following:
In the event the field survey does not agree with the Middlesex County FIRM, the applicant must apply to FEMA requesting that the Middlesex County FIRM be amended.
3. Delete Section 2.13.21.
4. Delete the language in Section 2.13.23 and substitute the following:
The Floodway boundaries within the Town of Tyngsborough shall be as determined and shown on the Middlesex County FIRM as described on detail in Section 2.13.00, dated June 4, 2010.
5. Amend Section 2.13.41 by adding the following:

Floodway Data.

In Zones A and AE, along watercourses that have not had a regulatory floodway designated, the best available Federal, State, local or other floodway data shall be used to prohibit encroachments in floodways which would result in any increased in flood levels within the Town during the occurrence of the base flood discharge.

6. Add a new section, 2.14.50, as follows:
Section 2.14.50 Notification of Water Course Alteration.
In a riverine situation, the Conservation Director shall notify the following of any alteration or relocation of a watercourse:

Adjacent Communities
NFIP State Coordinator
Massachusetts Department of Conservation and Recreation
251 Causeway Street suite 600-700
Boston, MA -2114-2104

NFIP Program Specialist
Federal Emergency Management Agency, Region 1
99 High Street 6th Floor
Boston, MA 02110

The Floodplain District is established as an overlay district to all other districts. All development in the district, including structural and non-structural activities, whether permitted by right or by special permit, shall be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the following:

Section of the Massachusetts State Building Code which addresses floodplain and coastal high hazard areas (currently 780 CMR 120G, "Flood Resistant Construction and Construction in Coastal Dunes);

Wetlands Protection Regulations, Department of Environmental Protection ("DEP") (currently 310 CMR 10.00);

Inland Wetlands Restriction, DEP (currently 310 CMR 13.00);

Minimum Requirements for the Subsurface Disposal of Sanitary Sewage, DEP (currently 310 CMR 15, Title 5).

{Note: Any variances from the provisions and requirements of the above referenced state regulations may only be granted in accordance with the required variance procedures of these state regulations.}, or take any other action relative thereto.

The 2010 Annual Town Report Superintendent's Office

Greetings,

I am pleased and honored to submit this letter for the first time as your Superintendent of Schools. For those of you who may not know, I have served the school district in a number of roles since 1992. I began my career as a computer/mathematics teacher, moved onto department chair of mathematics in 1995 and became principal of Tyngsborough High School in September of 2001. Along each step of the way, I have enjoyed the spirit and enthusiasm of this community, your children and the dedicated staff that is at the core of our school district.

Once again, the winds of change swept through our leadership team last year. Kerry Cavanaugh is now our Director of Special Education, having served as the Special Education Facilitator at TES for the past two years. We are also pleased to welcome back Michael Flanagan, as the Principal of both THS and TMS and Sarah Lewenczuk as our Director of Guidance. Steve Hall-Director of Technology, Kathleen Burnham-Director of Curriculum, Scott Middlemiss-Assistant Principal at TES, Mary Jane Caron-TES Special Education Facilitator, Casey Finnegan-TMS Special Education Facilitator and Martha Wright-THS Special Education Facilitator are new members of the leadership team. Michael Woodlock, John Salmon and Meghan Campbell are now serving as Deans at THS, TMS and TES, respectfully.

I would also like to recognize the other leadership team members that continue to serve this community with commitment and dedication, Joe Messina-Business Administrator, George Trearchis-Supervisor of Buildings and Grounds, Beth Devine-Principal at TES, MaryAlise Herrera-Assistant Principal TES, Nancy Senecal-Assistant Principal at TMS, Michael Mastrullo - Assistant Principal at THS and Scott Moreau-Director of Athletics. This fall, the leadership team has adopted a new district logo to symbolize our commitment to twenty first century learning skills and global education initiatives.

Your schools continue to be a vibrant learning environment for the students and staff, due in large part to the great community support provided by (among others) Friends of Tyngsborough High School Athletics, Education Foundation for Tyngsborough, Parent Teachers Organization, Tiger Pride Club, Tyngsborough Scholarship Trust. The efforts of yourselves and all of the community support organizations are still not enough to support our programs, as this year alone, we must charge fees to participate in programs and ride buses to the tune of over four hundred thousand dollars (\$400,000+).

It is apparent that once again the economy and budget constraints will challenge our programs and resources. The requirements of unfunded state and federal mandates, the aging of the TMS facility, the currently unoccupied Lakeview School and an upcoming accreditation of THS are among the many challenges we will face. However, I want to assure you that with the leadership of your School Committee and School Councils, we remain committed to being creative, resourceful and innovative in our efforts to provide an outstanding educational experience for your children.

Respectfully,

A small, stylized signature of Don Ciampa.

Superintendent of Schools

The 2010 Annual Town Report Special Education Department

Greetings, fellow residents:

The Tyngsborough Public School system is committed to the quality education for all students and offers an array of support services and programs in all of our schools. State and federal law mandates that each town provide special education services to its residents beginning at age three until age twenty-two. Students are identified through a comprehensive evaluation process which determines eligibility and specially designed instruction required to access the general curriculum. This process also outlines which services a student is eligible to receive and how those services will be delivered. Over the past several years, the percentage of students who receive special education services in Tyngsborough has been consistently between twelve and thirteen percent. This percentage is similar to the national average, but lower than State average. Special educators and general educators work closely to facilitate positive, inclusive educational experiences whenever appropriate.

The Special Education Department offers a continuum of programs and services to ensure system-wide collaboration and coordination, Preschool through Grade 12. Throughout the district, a major focus continues to be improving reading and mathematics instruction for students with disabilities in the least restrictive environment. Additionally, the District has several programs where students receive specialized instruction to meet their unique learning needs. Students may attend a program for only a portion of their school day while integrating with their grade level peers for the remainder of their day. We are committed to providing an inclusive and supportive environment for students who require intensive remediation due to significant disabilities. Our mission is to ensure a high quality continuum of programming and services that remediate challenges in reading, writing, mathematics social/emotional needs, teach compensatory strategies, foster self-awareness, and promote independent learning skills that prepare students for success in inclusion settings. While each classroom offers developmentally appropriate curriculum and instruction designed to support student strengths and address vulnerabilities, all programs share common values and strategies. This will increase our capacity to teach students within the local community and decrease the number of out-of-district placements for students.

Recognizing that the strength of our department lies in its teachers and service providers, we have invested considerable time and resources in professional development. The goal of our professional development is to train staff to provide each student with the appropriate supports to build the necessary skills, strategies and knowledge required to function as productive, independent and contributing members of society. Staff has attended training in Universal Design for Learning (UDL), Orton-Gillingham, Visualizing & Verbalizing, Applied Behavioral Analysis (ABA) and many others.

We are very proud of our department, our schools and our students. If you need assistance from the Tyngsborough Public Schools Special Education Department, you are welcome to contact us at 978-649-8914.

Respectfully submitted,

Kerry Cavanaugh
Administrator of Special Education

The 2010 Annual Town Report Tyngsborough Elementary School

Dear Citizens of Tyngsborough,

Once again, I am pleased to inform you about your elementary school. At the elementary school, we continually strive to ensure that your children are provided with every opportunity to reach their full potential as a student and community member as we prepare them for their global future.

TES is a very special place! On any given day, you can hear the laughter of preschoolers in one hallway, and then witness the silent confidence of fifth graders in another. This year, we expanded upon our "Go Green" community building program with our theme of "Growing a Peaceful Community." Each month, the entire school begins with a community building assembly that is focused on a specific topic, such as "using manners", "developing positive friendships", and "bullying and harassment". In the fall, to kick off our theme of "Growing a Peaceful Community", each student planted a tulip or daffodil bulb in the front of our school. We are looking forward to seeing the fruits of our labor with the blooming of over one thousand spring flowers.

The staff works in grade-level teams to develop curriculum maps, common assessments, and scoring rubrics in all curriculum areas. In addition, last spring, we were able to purchase guided reading materials for all classrooms. The addition of these materials has allowed all teachers within their respective grade-level teams to have access to the same reading materials, helping to create a community of readers and learners.

Furthermore, our teachers, who are constantly looking for ways to improve classroom instruction, continue to participate in various forms of professional development. This year, six additional staff members attended the summer training on the principles of Universal Design for Learning. Also, in the fall, we obtained a literacy grant, which has allowed us to train nine teachers in the Writers' Workshop model. We are hopeful that we will receive this grant again, so that we may continue this important work to improve our students' writing. In addition, four of our staff members will participate in a training session that focuses on instructional strategies to utilize with students whose first language is not English. This training is becoming increasingly important as, these days, we see more and more students entering our school who do not primarily speak and/or understand English.

We at TES continue to work toward achieving excellence under less than ideal conditions. However, after nine years of a no growth budget, there is bound to be some adverse impact. The Massachusetts Department of Elementary and Secondary Education has determined that we are a school that is not making adequate yearly progress in ELA and math based on the performance of our special education and low-income students on MCAS last spring. We have developed and implemented a plan of action to address the needs of these students.

We, as a school community, would like to thank the members of the Tyngsborough PTO and the Educational Foundation, whose members volunteer their time to raise money for our schools. Each year, the PTO provides all the Arts & Enrichment programs at TES, and it organizes several family events. The Education Foundation of Tyngsborough's new grant program seeks to fund materials requested by teachers each year.

In closing, it is my honor to serve as your elementary principal. I remain fortunate to work with the wonderful children of this community and their families. I have a dedicated staff that works hard to provide challenging academic programs and a safe, nurturing environment for all.

Respectfully submitted,
Elizabeth F. Devine, Principal

The 2010 Annual Town Report **Tyngsborough High School/Middle School**

Greetings, fellow residents:

It is my privilege to provide an update on the progress and direction of Tyngsborough High School and Tyngsborough Middle School. After two years in another district, I appreciate coming home to a school system that is student centered, forward thinking, and committed to challenging students to reach their highest potential.

Our students continue to impress us on a daily basis. The Norris Road campus houses nearly one thousand students, and you will find students engaged in learning in every classroom, from completing projects on Google docs to creating their own PowerPoint presentations. Learning continues outside the classroom with the high school National Honor Society as well as members of our government classes visiting Washington D.C. Student Ambassadors from the middle school are involved with community projects for the Council on Aging, and Seven Serves is a student club that has raised money for causes like the Leukemia and Lymphoma Society. After school programs are filled with students participating in athletics, co-curricular clubs, the Foreign Language Exploratory Program, Humanities classes, homework club and extra help sessions with individual teachers. The theater and music programs continue to entertain and awe audiences.

Our focus each day is to challenge students and provide them with the necessary support for their success. The professionals on the Norris Road Campus modify curriculum, reflect on instructional practices, and readily seek professional development opportunities to refine and improve their craft. Our teachers know that societal expectations are changing, and they work diligently to stay current with the implementation of technology in the classroom on a regular basis. Focusing on twenty-first century skills is important and our teachers strive to prepare students to be independent, creative thinkers who can problem solve and work collaboratively.

We are aware of the importance of building partnerships and programs with the members of our community. It is impressive to witness the community contributing such hard work and generosity in an effort to support their schools and students. The contributions of Friends of Tyngsboro High School Athletics, Education Foundation for Tyngsboro, Parent Teachers Organization, Tiger Pride Club, Tyngsboro Scholarship Trust, and many others are far too many to list. It is impossible to quantify the tremendous impact these people and organizations have had on the lives of our students, but it is undoubtedly profound.

The Tyngsborough Public Schools have always moved forward. Next year will be our first year of competition in the Midland Wachusett League, welcoming new rivalries and beginning new traditions. As a staff, we continue to develop curriculum and assessments, all the while focusing on the improvement of our instructional practices. This is an exciting time to be a part of the Tyngsborough Public School system as we look ahead with the goal of "...preparing students for their future in a global society."

Respectfully,

Michael Flanagan
Principal THS/TMS

The 2010 Annual Town Report Greater Lowell Technical High School District

The Greater Lowell Technical High School Committee meets in the Administrative Office (Room 2260), 250 Pawtucket Boulevard, Tyngsborough, Massachusetts. Meetings are public and district residents are welcome to attend. School Committee and sub-committee meeting schedule, past meeting minutes, and the current FY budget are listed on the school's web site at www.gltech.org.

MISSION STATEMENT

Greater Lowell Technical High School commits to ensure students' readiness for career, college, and citizenship in the 21st century. We challenge and support students as they realize their individual potential for personal and professional success.

PHILOSOPHY

Greater Lowell Technical High School believes in the philosophy and goals of the Massachusetts Common Core of Learning, the Massachusetts Curriculum Frameworks, and the Massachusetts Vocational Technical Education Frameworks to ensure that students attain the academic and technical skills required to secure employment, to continue post-secondary studies, or to pursue a combination of both.

MCAS

Greater Lowell Technical High School's Grade 10 first time passing rates are as follows: English 95% math 90%, and science 88%, with the science numbers improving by 4% from last year's scores. The passing rate has shown improvement in most areas over the four year period. Students scoring in the Advanced and Proficient English category totaled 51%. While 55% our GLTHS students scored in the Advanced and Proficient categories for math. Seventy percent of GLTH students scored in the Proficient and Advanced categories for the science test.

POSTSECONDARY AND LPN PROGRAMS

Postsecondary - Greater Lowell offers a variety of choices for those interested in improving job skills, changing careers or simply pursuing a leisure-time interest. More than 450 students took postsecondary courses during the past school year. Students can earn certificates of completion in many of the courses including vocational-technical courses for licensure such as Electrical Code Review, postsecondary career courses such as EKG, and enrichment courses such as Digital Photography using Photoshop

LPN - The Practical Nursing Program is a 40-week, postsecondary course with 1,097 hours of classroom and clinical instruction. This past year 70 students graduated from the program and became licensed practical nurses. After completing the program, graduates are eligible to take the National Council of Licensing Examination - Practical Nursing. To accommodate diverse schedules, both a daytime and an evening/weekends division are offered.

COMMUNITY INVOLVEMENT

Greater Lowell Technical High School takes pride in giving back to the member communities. Automotive students provided a free mobile auto inspection service to seniors at the Tyngsborough Council on Aging building. Students checked cars for tire wear, belt wear, corroded battery terminals, and assessed the general well-being of hoses, wires, and various fluids. Graphic students printed materials for the Education Foundation for Tyngsborough and printed t-shirts for students at the Tyngsborough Middle School.

The Community Service Learning Program at Greater Lowell Technical High School promotes community involvement by connecting academic studies to real-life experiences. Service

The 2010 Annual Town Report

learning projects combine community service with student learning in a practical way that enhances academic knowledge, empowers students to take on a leadership role, and improves community environments and fellowship. This year more than 100 students participated in over 30 community service events this past year.

The 2010 Annual Town Report Community Preservation Committee

Committee Members:

Linda L. Geyer – Chair (Recreation Committee), Mark Rohrbaugh – Vice Chair (Member at Large), Kenneth Times, Treasurer (Finance Committee), William Grammer (Member at Large), Ed Smith (Conservation Commission), Warren Allgrove (Historic Committee), John Pelletier (Housing Authority), Guy Denomee (Member at Large), Joelyn Riley (Member at Large)

Review of the Community Preservation Act

The Community Preservation Act (CPA) was passed in Tyngsborough in May 2001 FY2002. The Act requires that a Committee be formed to investigate the preservation needs of the community and make recommendations to Town Meeting for use of the CPA funds. CPA monies are raised by a community-wide real estate property surcharge of 3%. The State will provide matching funds to the extent that it has collected through the state registry of deeds. Tyngsborough passed the Act at the maximum 3% surcharge level and the State matched this money dollar for dollar from FY2002 through FY2008 at the approximate rate of \$375,000.00 per year. In FY2009 the town received another 92% match, however recent changes to the growth of registration fees has forced the receipt of state matching funds to be much lower. In FY2010 we received a 57% match. FY 2011 is expected to be around a 40% match. Future years are forecasted to be between 30-50% for the town of Tyngsborough.

In FY2011, between Town and State contributions the Tyngsborough CPA fund accrued approximately \$613K. The funds must be spent in three areas, Open Space for passive recreation or recreational purposes, Historic Preservation, and Affordable Housing. At least 10% of the monies must be allocated for current or future spending on each of the three categories. The Act also allows for the Committee to recommend that up to 5% of the funds be allocated for the potential use of administrative expenses each year. The remaining 65% can be put toward any combination of the three. The CPC makes recommendations for allocation and use of the funds at Town meetings after carefully scrutinizing proposals. Before CPA funds can be spent on the Committee's recommendation the Finance committee and the Board of Selectman vote on these recommendations. The final purchase or allocation for future purchases must be voted on by the residents of Tyngsborough at Town Meeting. Applications for projects are available on the town website. A window of 60 days prior to town meeting is expected to allow the CPC to review and qualify proposals submitted.

Since its inception the CPC has been meeting with Town Boards whose efforts dealt with our three core areas of interest. Those boards are the Housing Partnership, and the Housing Authority for Affordable Housing, Historical Commission for Historic Preservation, and the Conservation Commission for Open Space preservation. New areas of interest and focus in FY 2011 would be the completion of the Town center Barn restoration, Old Town Hall restoration, formation and structure support to the Housing Authority for meeting of future affordable housing initiatives. Completion of the community sports fields and the riverfront property is expected this spring with an opening date soon to be announced. The revitalization of town center and preservation of town owned historic buildings remains a top priority.

Historic Preservation

The CPC continues its concern with the restoration effort for the Old Town Hall, the Littlefield Library and the Winslow School. Contributions made to the Historical Committee will be used to establish matching funds from government agencies and replenish funds used in the initial work to restore the Old Town Hall, the Littlefield Library and the Winslow School. We look forward to establishing and making available funds to meet the requirements necessary to refurbish these buildings and bring them up to codes necessary to utilize them once again. Plans are currently being worked on to refurbish the Old Town Hall to make it available to the

The 2010 Annual Town Report

general public for cultural events and town owned meeting space as well as leased space for weddings, networking events, fundraising events and other such to ensure the operating plan will be sustained.

Open Space and Recreational Purchases

The CPC realizes that one of the mandates given to this committee is to do extensive review and appraisal of the Open Space areas in Town. The committee took special interest in those properties already under the protection of Chapter 61 (Forest, Agriculture, and Recreation). In addition, the CPC is consistently looking for Open Space that is under threat of development. In addition, another high level of consideration is given to parcels that fit into the "Master Plan" and give back to the community as open space that can be used for current and future recreation. Recently the town voted to spend funds to establish a sport field and recreational park adjacent to the Tyngsborough Elementary School. This field is near completion and contains 5 sports fields, tennis courts, basketball courts and a walking path. It is expected to open in the spring of 2011. The newly created park along the river on Frost Road will be officially opened as well this spring.

Affordable Housing

The Tyngsborough Community Housing Partnership (TCHP) is a not-for-profit organization that has been tasked with helping the Town deal with the need for affordable housing. The TCHP has plans for several programs to promote affordable housing in the Town. The funds can be used for some of the following areas, first time home buyers assistance programs, rental assistance programs, purchase of property for use as affordable housing development and community educational affordable housing programs.

Open Space and Project Selection Criteria

The CPC requires that all proposed projects be eligible for CPA funding according to the requirements described in the state's CPA statute. Many parcels and projects have been and will be reviewed to determine the level of selection criteria met. Project proposals are being evaluated without discrimination according to the following criteria:

- Consistency with Tyngsborough's Master Plan, Open Space and Recreational Plan, Affordable Housing Plan, and other planning documents that have received wide input and scrutiny.
- Feasibility
- Urgency
- Affordability
- Serving a current under-served population
- Serving multiple needs and populations
- Consistency with recent town meeting actions
- Preservation of currently-owned town assets
- Acquisition of threatened resources
- Multiple sources of funding (availability of grants, etc.)
- Level of support for appropriate Town Committee, Commission or Board

The CPC is now preparing recommendations for the spring and fall of 2011 Town Meetings. The CPC has used the Town Web-Site to keep the Community informed. Minutes from all meetings are posted on the CPC home page as they become available. The Committee plans on recording all documentation and press releases concerning its activity on the website in the near future. Please feel free to contact any member of the committee should you require more information or would like to participate in our monthly meetings and open discussions. As a committee we are always looking for new ideas and opinions. The community's input is extremely valuable to us. Normally our meetings are in the Town Hall Community room on the last Wednesday night of each month.

The 2010 Annual Town Report

Other Projects and Funding Sources

Currently projects are being reviewed for their level of selection criteria and will be discussed with council prior to addressing in a public hearing. The CPC will continue to maintain a professional relationship with state environmental agencies and seek out advice and partnerships whenever possible. Funding sources will remain a high priority in selections of open space, community housing and historical preservation. Grant writing and state funding resources are always a high priority in gaining additional funds to support preservation projects. Any advice or knowledge of state funding would be very much appreciated as it gives us a green signal to pursue.

Please feel free to contact me at 781-718-0769 should you have any questions or concerns about this committee, its plans or functions. This past year has been fulfilling to the committee and the town. I feel we have as a team made important decisions that will provide abundant benefits to the current and future population of Tyngsborough. I speak for all of our committee members in thanking you for all of your efforts and support.

The 2010 Annual Town Report Conservation Commission

The Conservation Commission had a busy year in 2010. The Commission held Fifteen meetings totaling Forty Five hearings. These hearings included Eight Notices of Intent filings, Eleven Requests for Determinations of Applicability, Three Enforcement Order, Seven Certificates of Compliance, two permit extensions, and one storm water permit.

The Commission is sad to announce the passing of long term member Henry Jungmann. Henry's contributions to the community will be remembered for generations to come. We will always remember Henry for his valued contributions and the positive example he set.

Other activities of the Conservation Commission included members attending the Massachusetts Association of Conservation Commissions annual meeting in March and the continued maintenance and program activities of the Sherburne property inclusive of a well attended earth day celebration. Other conservation lands were maintained through volunteer efforts as well and we would like to thank those residents who care and step forward to aid in the continued protection of our precious natural resources.

Stormwater management is by far becoming one of the priority issues across the country with the EPA mandates that affects every community across the country. The Conservation Director has been implementing the new storm water management by-law. This new by-law meets the requirements of EPA mandates. As part of the implementation, the director has inspected outfalls and basins as well as portions of the river and ponds and lakes. The Commission has also worked with the Lake Masscuppic Association and the Lake Massapoag Rod and Gun Club for the continued management and protection of a vital resource. The director has also implemented storm water education by means of distributing information to residents at the earth day celebration as well as recording a public service video shown on local access television. There shall be more videos on different topics to be covered as part of this program. The Conservation Commission also worked with the Board of Selectmen and the Community at Large and at town meeting the taking of the Cedar Street Boat Ramp/Right of way as a public Road.

The 2010 Annual Town Report Tyngsborough Council On Aging

The Tyngsborough Council on Aging and Senior Center is the bridge to an aging generation. The mission is to advocate for an improved quality of life for all seniors through supportive services, programs, events, and education and also to identify and assess the health, economic, social and cultural needs of seniors. The elder population (age 60 years and older) in Tyngsborough is currently over 1,700 (14% of the town's total population), and is expected to rise to over 2,000 by 2012.

The Senior Center at 180 Lakeview Avenue offers a wide range of necessary and elective programs and events. The Center continues to be a focal point where elders can enjoy social and recreational activities, learn new skills, receive life essential information and receive critical services. Through the Center seniors are connected to Home Care programs and a variety of outreach programs offered by the COA and others. We offer health and education programs and communicate to local seniors through our monthly newsletter "News and Tyngs" that is distributed to 700 seniors at various distribution sites.

Activity Report for 2009:

| | |
|----------------------------------------------------------------|--------------------------------------------------------------------|
| Transportation | 4,010 rides provided to 65 senior and disabled clients |
| Meals on Wheels | 6,311 meals provided to 47 homebound clients |
| Congregate meals | 1,153 meals served to 78 clients at the Center |
| Brown Bag through Food Bank | 500 bags provided to 32 seniors |
| Recreation/Social | 174 clients attended a total of 2,500 events |
| Wellness programs | 272 provided to 74 seniors |
| Fitness programs | 1,037 classes attended by 74 seniors |
| Volunteers (not counting Town departments & other agencies) | 2,344 hours of services provided by 66 volunteers |
| Who came to the Center in 2009? | 80% from Tyngsborough/20% from other towns 72% female/ 28% male |

Affiliate and supporting agencies: Elder Services of Merrimack Valley (ESMV), Visiting Nurse Association of Greater Lowell, Inc. (VNA), Community Teamwork, Inc. (CTI), Merrimack Valley Nutrition Program, and Lowell Regional Transit Authority (LRTA). We offer a variety of programs and presentations to elders that improve communication and provide information from town departments such as the Fire Department, Police Department, Assessors Office, Veterans Office, Highway Department and the Board of Selectmen.

As the aging population continues to grow, there is a heavier reliance on the Center in the role of a social service agency. The Center continues to operate with less staff every year and is heavily reliant on volunteers. The Center also offers referral services to non-seniors as a social service agency for the town.

The Center is staffed with a full time Director of Elder Services, and a full time Clerk (both are funded through town appropriations and grant funding), an 8 hour a week Meal-site Coordinator, an 8 hour a week Custodian. Beside Director and Clerk, additional grant funded positions include: two part-time van drivers; a second Meal-site Coordinator; and three volunteer MOW Drivers. The Friends of the COA fund a part-time Program Coordinator.

Goals of the Council on Aging for FY09: Focus on maintaining the current programs with decreasing staff; provide more critical programs and services and implement programs that will improve better safety for the elder population; and create new programs that are creative and will attract new seniors to the Center through the use of members of the community and volunteers.

Greetings, fellow residents:

It is the mission of the Tyngsborough Cultural Council (TCC) to promote excellence, access, education and diversity in the arts, humanities, and interpretive sciences in order to improve the quality of life for all Tyngsborough residents and to contribute to the economic vitality of Tyngsborough's community through the re-granting of public monies awarded to the TCC by the Massachusetts Cultural Council (MCC).

The Tyngsborough Cultural Council is an agent of the Massachusetts Cultural Council which receives funding from the Massachusetts Legislature and the National Endowment for the Arts. Distributions are based on a local aid formula devised by the state and are not determined by the individual municipality.

The Cultural Council meets the needs of Tyngsborough's residents throughout the year.

The Tyngsborough Cultural Council began 2011 with an all newly appointed council. As in past years, cultural services and on-going activities continue to be available to Tyngsborough residents.

As of this writing, the council has awarded the cultural grants for 2011, allowing the funded applicants to move forward and begin the process for which they have been awarded.

The challenge for the Tyngsborough Cultural Council is to advocate for cultural arts and humanities and appropriate the funding for the programs upon completion.

We wish to thank Jeffrey Lipsky, the outgoing Chair, and all the former Tyngsborough Cultural Council members who provided the service and volunteer hours prior to the appointment of the current Tyngsborough Cultural Council, and recognize their dedication and hard work.

Furthermore, the former and current Tyngsborough Cultural Council and the grant applicants serve to remind us all there are numerous ways that individuals working together can enhance public services, in this case, arts and humanities.

Indeed, we wish to thank all of you. It is our hope we can count on your continued support in participation in the process and programs that had been granted funding for future enhancement of our town.

Respectfully submitted,

Juli M. Rogers, Chair

Herbert Morton, Commissioner
George L. Dupras, Commissioner

Robert L. Kydd, Jr., Commissioner
Rodney Wood, Commissioner
Jill E. Bowen, Commissioner
Joy K. Richardson, Commissioner

Greetings:

The Tyngsborough Historical Commission meets the second and fourth Tuesday of each month, at seven PM in the old Littlefield Library on Middlessex Road. We have improved the building by adding a handicapped restroom and access ramp. Our second annual car show in September was a success, as were visits with some of the town's older citizens. Both floors of the library are in use.

The Commission has maintained its interest in restoring the old town hall using funds from the Community Preservation Committee. These funds, mandated to be used for open space, historical and affordable housing and matched by a certain percentage from the state would not place a further burden on taxpayers. The commission in association with the CPC will bring this forward at town meeting.

The commission managed to save the barn in the Shur Fine lot. It has been a slow process, but we believe this barn will be an asset to open-air functions held in the lot such as a farmer's market and other events. The barn's interior is open to the rafters to show our New England architecture, and we hope to have the outside restored to the 1850s era.

As delineated at selectman's meeting in the spring of 2010, and televised on town access the Historical Commission has plans for all of Tyngsborough's historic buildings in the center of town.

Talk began in 1991 of restoring a plaque on the Wannalancit Rock on Tyng Road. Dedicated to the chief by the Colonial Dames of Massachusetts in 1901, the plaque was discovered missing in the late 1970s. As part of an Eagle Scout project the area was beautified by Waylin Piegorsch. The plaque is expected to be rededicated sometime in the spring.

The Tyngsborough Highway Department maintains the safety and quality of more than 100 miles of road in town. Our work includes; road repairs, catch basin maintenance, street sweeping, street signs, traffic signs, street opening permits, snow plowing and treating of roadways throughout the winter months.

In 2010 State appropriated Chapter 90 funds helped us to pave the following streets; Locust Avenue, Farwell Road, Joyce Drive and sections of Norris Road, Long Pond Road and Westford Road. The road maintenance and equipment funds of Chapter 90 also allowed us to purchase a hot-box asphalt pre-heater and trailer mounted cement mixer. With grant funded money we were able to purchase a new work zone safety/emergency response trailer to be available on roadway worksites.

Department changes at the end of 2010 included Interim Highway Clerk Christine Miceli leaving our department for a position with the Tyngsborough Sewer Department. Christine did a wonderful job keeping our office organized and efficient. We are glad she is still part of the Tyngsborough team. In December, Kristine Hartwell joined our department as Highway Clerk.

My colleagues and I would like to extend our appreciation and thanks to the residents of Tyngsborough for their support and patience during the 2010-2011 snow season. Please visit the town website for information regarding winter operations, parking bans and how residents can help.

The Office of Media Programming

To the People of Tyngsborough:

The Office of Media Programming's mission is to provide the residents of Tyngsborough with the most current information available on the daily events happening here in town and in the surrounding communities. The Department provides this information in two main platforms:

1. Broadcast: The day-to-day operation and programming Tyngsborough Community Television Tyngsborough's Public Educational and Government Channels (Comcast TV 8 & 10) (Verizon FIOS 28, 29 & 30).
2. Digital: The daily updating, maintenance and expansion of the official Town's websites on www.tyngsboroughma.gov and beyond.

Once again it has been a busy and enterprising year for the department, engaging our residents and businesses in Town Government. Here are some of the highlights from the past year.

We have introduced Tyngsborough's Meetings-On-Demand service online through Leightronix's PEG Central. Viewers can watch Board of Selectmen and School Committee Meetings online on the Town website at their leisure from practically anywhere – home, work, office and even a smart-phone.

We successfully re-launched tyngsboropolice.com. This new version the police website showcases the department and plays a critical role in the continuation of expanding the town's digital platform and presence to residents.

We are continuing heavy use of social media such to update residents on various town related events as it happens. We are now using Facebook in addition to Twitter. Find and Like Us at facebook.com/tyngsboroughma.

Tyngsborough, MA was one of 20 communities in the United States to participate in a pilot-test program of a Mobile Application for iPhone or iPad called YouTown. Meaning you can get all your Town info on the go for free. This product is slated to be released sometime in May 2011.

Lastly, we are actively planning re-vamped websites for The Sherburne Nature Center/Trails Committee and Recycling Committee.

Our office is always open to suggestions from residents for ideas and how we can improve our services. Volunteers are welcome to come and learn about the video production process and submit their content to us.

Many thanks to you the citizens, town employees, elected officials and businesses of Tyngsborough, MA for your continued support.

Jim Miller (Resigned - 11/2010)
Caryn DeCarteret, Associate Member

The Tyngsborough Planning Board held 21 public meetings in 2010 and continued to provide valuable assistance to the residents of Tyngsborough by completing projects and administering new ones.

In May, member Caryn DeCarteret's term expired with the Board and she did not run for re-election, and Associate Member William Gramer was elected to the Board for a 5-year term. In November, member Jim Miller resigned his position on the Board, and Caryn DeCarteret was appointed as an Associate Member.

The Board, together with their engineer, reviewed the Subdivision Rules and Regulations and revised them to comply with current Massachusetts standards, codes, and statutes. In addition, the Town's Zoning and Street maps were updated to current conditions.

The Board held public hearings for several Special Permits and included the following projects:

Wilson Way - Telecommunications Tower (Denied)
6 Progress Ave. - Major Business Complex (Approved)
180 Sherburne Ave. - SBA Towers for T-Mobile Telecommunications Tower (Ongoing)
56 Coburn Rd. - New Cingular Wireless PCS Cell Tower Co-Location (Approved)
Frost Rd./99 River Rd. Hudson, NH - Site Plan Review for parking area (Approved)
77 Middlesex Rd. - Belley Limousine (Ongoing)

The Board approved a Temporary Independent Living Quarters (T.I.L.Q.) Permit at 41 Phalanx St.

The Board was presented with the following Approval Not Required (ANR) plans for review. The ANR for 15, 19, 21 & 27 Primrose Lane was approved; a plan for an ANR at 23 Glendale Ave. was submitted then subsequently withdrawn. Also, an ANR plan for Davis St. was presented but not approved, citing further revisions required. Finally, an ANR for 5 Sleepy Hollow Lane was submitted and approved.

The Board looks forward to continued work with Town Administration and developers to further the street acceptance process. Jonathan Circle was approved for street acceptance during the Annual May Town Meeting.

To the Citizens of Tyngsborough,

This report will identify the activities that have taken place during the calendar year and accomplishments that have occurred.

As I submit the annual report for the 2010 calendar year, your police department is looking toward the future. In any organization, a vision of the future is essential in the performance of the present. In order to plan effectively and to have the best interest of the agency in mind, input from every part of the organization and its stakeholder is critical. We have developed a five year plan to look ahead to determine what will be necessary to meet our obligations. It is the goal of the Tyngsborough Police Department to anticipate and prevent problems, to look at innovative solutions, and respond to issues with fairness, sensitivity, and compassion.

As a community-oriented Police Department, we are always looking for ways to interact with our community and we recognize that our mission is and will continue to be to provide the best quality service to the citizens of Tyngsborough.

A sampling of this years programs are The Night of Lights in October to usher in the Halloween spirit with resident carved jack-o-lanterns glowing along the path of Bridge Meadow Field. The holiday season begins with the annual Tree Lighting ceremony in conjunction the Festival of Trees. This year's activities were held at the Littlefield Library, which made for a festive hometown event. Children are invited to make multiple holiday crafts and activities carolers graced the library with seasonal song. January begins the youth basketball programs and a men's pick-up style session was again offered. The Shamrock Ball the Father-Daughter Dance was a toe tapping experience for approximately 350 Girls and their Dads of Tyngsborough. The Girls Youth Softball program rolled forward into its third year under the umbrella of the Recreation Department. An outdoor movie night held at Wicasse Park was a great event which was enjoyed by many. The most popular summer event by far is Track and Field Night held at Pierce Field. The Department oversees the Town Beach, with the assistance of the Lake Mascuppic Assoc.

The Recreation Center building on Westford Road remains a key piece in the Committees' ability to offer programming. It serves as a home for the majority of the programs that do not require large spaces or gymnasium usage. The Building also serves as a meeting place for many youth groups, town organizations and other groups.

The Recreation Committee continues to run and operate the concession stand at Wicasse Ball Park from April to August. All proceeds are used to self fund the Committees programming and events.

The Department maintains the towns three athletic field complexes; Community Center, Bridge Meadow and Wicasse Park. Maintenance is carried out with the assistance of the Parks liaison at the Highway Department. Tri-yearly permitting and scheduling of all athletic fields is handled through the Department for Recreation programs, youth sports, and all schools in town

The Director continues to work as a member of the Fields Committee and has undergone the development of the Bicentennial Fields facilities at the TES site. A second group was formed to include a member of each youth sport organization and the school athletic director, to work as a group for the upkeep on the new facility. Ground work will began in June 2009 and end September 2010. Included in the project are be three multi purpose rectangular fields, a softball diamond, and 90' baseball diamond, six tennis courts, a basketball court, walking path, new parking facilities, and plans for a future concession/bathroom/storage facility. The facility was open for the spring 2011 sport season.

To the Citizens of the Town of Tyngsborough: Tyngsborough Housing Authority (THA) was established in 1979 and is responsible for all public housing programs and oversight in town. Currently the THA has 86 senior, 8 congregate, 14 family, and 8 units for Department of Mental Retardation clients. All housing applications are prioritized according to the state Department of Housing and Community Development (DHCD) guidelines. Tyngsborough resident veterans and Tyngsborough residents, receive preference for housing. The Authority has two developments for seniors and people with disabilities: **BRINLEY TERRACE, 198 Middlesex Road** is a 54-unit development of two story buildings in a lovely village setting on 5 acres. **RED PINE TERRACE, 186 Frost Road** is an accessible 32-unit, two-story building on 8 wooded acres. Each apartment has a refrigerator, stove, generous closet space, and wall to wall carpeting. Heat, electric and hot water are included in the rent. There are on site laundry facilities and parking. Comcast and Verizon FIOS provide cable service. The maintenance staff cares for the lawn removes snow and responds to emergencies. **Red Pine Terrace has 14 family units**, two of which are wheelchair accessible. The two and three bedroom apartments are designed for families and have a refrigerator, stove, generous closet space, washer/dryer hookups, storage sheds and parking. **CONGREGATE UNITS** are a group living situation offering four private rooms and a shared kitchen, living room, dining room, and bathrooms. Meals, housekeeping, personal care, laundry services and shopping are provided by the servicing agency. Brinley Terrace's congregate unit is for persons needing some assistance in daily living with Elder Services of the Merrimack Valley, Inc. providing the services. Red Pine Terrace's congregate unit is for Massachusetts Department of Mental Retardation clients with Lifelinks, Inc. providing services. **LIVE OAK TERRACE, 130 Coburn Road** is a residential development for Massachusetts DMR's clients. **ELIGIBILITY FOR HOUSING** is limited to seniors 60 years or older, people with disabilities under age 60, and emancipated minors or persons 18 years of age with a need for family housing. The household's income must be below the following amounts: One person \$45,100 Two persons \$51,550 Three persons \$58,000 Four persons \$64,400 Five persons \$69,600 Six persons \$74,750. The 2010 Annual Town Report

The 2010 Annual Town Report Tyngsborough Veterans' Office

The veterans' office continues an aggressive outreach program to bring benefit information to our needy veterans and their widows. This outreach has more than doubled the number of families that we assist on a daily basis. We provide financial and medical assistance based on family income and assets. Single veteran/widow monthly gross income of \$1805.00 or below and a couple monthly gross income \$2428.00 or below. A car and home is NOT countable income. The veteran's benefits budget will exceed \$280,000 in FY-12 of which 75% is reimbursed to the town from the Commonwealth of Massachusetts.

The Massachusetts legislature has provided a bonus for our members of the armed forces who have served in harms way since September 11, 2001. A \$1,000.00 bonus for those who served in Iraq and Afghanistan. A \$500.00 bonus for those who served elsewhere around the world. Also, an increase in annuities to \$2,000.00 annually for our 100% service-connected disabled veterans, Gold Star Parents and Gold Star Spouses!

The Veteran's service Department is a one-stop center for Veterans and their dependents. We are committed to aid, counsel, assist and advise. My office has seen a marked increase in filing claims for our returning veterans from Iraq and Afghanistan. Most of those claims are for battlefield injuries including post traumatic stress disorder (PTSD). The following information may be of some assistance.

Some of the services we provide are as follows – domiciliary care, nursing home care, health care enrollment, outpatient pharmacy services, agent orange and gulf war claims, alcohol and drug dependence treatment, education and training, home loan guarantees, service life insurance, burial benefits including headstones and markers, bonuses, license plates, record retention, Massachusetts veterans' cemeteries, women veteran's issues, homeless veterans, replacing military records and medals, review of discharges, social security and ssi assistance, veterans' preference in employment and housing, real estate tax abatements, along with many more benefits and entitlements.

There are approximately 1159 veterans residing in Tyngsboro. The veteran's office assists many of these veterans in filing disability compensation claims with the Veterans Administration. We have been successful in delivering over \$1.5 Million Dollars in financial benefits annually to our deserving Tyngsboro veterans! Respect, Courtesy, Confidentiality is our motto! We advocate for veterans whatever their needs. If you are a Veteran, Widow or Dependent of a Veteran who needs these services, we are available in the Town Hall, Monday through Friday, (978) 649-2300 X131, veteransagent@tyngsboroughma.gov.

The 2010 Annual Town Report Zoning Board of Appeals

Zoning Board of Appeals

The economy continues to be a factor in the number of request for variances and special permits which have come before the Zoning Board of Appeals in 2010.

The Zoning Board of Appeal meets monthly on the second Thursday at the Tyngsborough Town Hall Community Room at 6:30 PM.

40B Developers continue to search for creative ways to make their existing projects more appealing to the current buyers. This has caused the developers to come before the Board with requests for changes to their projects or to request an extension of time for which they had committed, to within their developments original documents.

Wyndbrook at Tyngsborough on Westford Road an active adult community has a Senior Center slated for the Town's residents as proposed as part of their development based on an agreement made with Wyndbrook and the Tyngsboro Housing Partnership. This agreement has received an extension due to the slow sales of units within the development. This year saw the Developer agree to prepare the architectural plans for the building within a year, thus showing good faith that this project will go forward.

Currently we have the following 40B projects under development:

Maple Ridge off Old Tyng Road, single family, 55 and older, and apartments
Wyndbrook – Westford Road – an active adult community of 80 detached condominium homes with Senior Center
Whispering Pines Estates – off Lakeview Avenue – 16 townhouse style units
Merrimack Landing off Middlesex Road – townhouse style and multi unit building

There are no new 40B projects in the application process at this time.

The Zoning Board of Appeals is a five member appointed Board and consists of the following members and staff:

Robb Kydd, Chair
Chris Mechalides, Vice Chair
Clair Cloutier, Member
Cheryl Bradley, Member
Joseph Polin, Member
Scott Bordeleau, Alternate Member

Secretary: Donna McPartlan
